Pe această pagină web vei găsi [meniul complet](#) al restaurantului **Restaurant RomAntik** din Braşov. În prezent, sunt disponibile **16** feluri de mâncare și băuturi. Romantik is a restaurant that has received mixed reviews from its customers. While some praise the excellent food, beautiful garden, and great service, others have experienced difficulties when trying to make reservations. The menu is not available in English, and some have had issues with overcrowding. However, the delightful atmosphere and delicious food, including traditional dishes such as gulas and kartoffels, have left a positive impression on many visitors. Overall, Romantik offers a charming dining experience with the potential for improvement in customer service and accessibility.
