ENGLISH MENU

Dear MQ-Daily guests,

due to fresh cooking all the dishes we serve, a little waiting period can be caused. We hope you appreciate and don't mind! We obtain our vegetable-, meat- and eggproducts mostly from austrian organic farmers. We are cooking using primal salt without any flavor enhancer, but with loads of love!

Please don't hesitate to ask our service-team if you have any questions concerning allergen ingredients.

Our food and drink supply changes seasonal!

You'll find even more food and drinks on our black boards or just ask for it!

Enjoy your time in our place

At „MQ Daily“ you find yourself in a place of indulgent culinary delights in the middle of an ambience with a great history. You are here in the building complex of the former „Vienna's imperial stables“ which the great Austrian baroque architect Johann Bernhard Fischer von Erlach made internationally known from the beginning of the 18th century until today. Up to 600 horses and hundreds of carriages were housed here - not far from the famous Hofburg. Austria's cultural heritage is world famous - just like the warm hospitality of its people. Enjoy your stay with us!

A **CASH DISPENSER** is located outside the MQ-Daily entrance very close to the Museumsquartier main entrance passage. We accept **CREDIT CARDS** from **10 EURO**.
